Q35A. [FORM A] Which do you support more?

Give Medicare the power to negotiate prescription drug prices	65%
Limit drug price increases to the rate of inflation.....	35
VOL: (Don't know/Refused)	-

Q36. Which do you support more?

Give Medicare the power to negotiate prescription drug prices only for people who are on Medicare	32%
Give Medicare the power to negotiate prescription drug prices for all Americans, including those who get insurance through their employer.....	68
VOL: (Don't know/Refused)	-

Q37. Which do you support more?

Limit drug price increases to the rate of inflation for people on Medicare	27%
Limit drug price increases to the rate of inflation for all Americans.....	73
VOL: (Don't know/Refused)	-

Q38. Which do you support more?

Let Medicare negotiate on a limited number of high cost drugs	23%
Let Medicare negotiate on all drugs in the Medicare program	77
VOL: (Don't know/Refused)	-

Q39. Which do you support more?

Implement stronger price controls for new drugs that are released into the market.....	83%
Let drug companies decide what is the most efficient price for new drugs	17
VOL: (Don't know/Refused)	-

B3. I will now read you some policies to lower prescription drug prices. Please tell me if you support or oppose each policy. Here's first one...[ITEM], do you support or oppose that policy? [IF SUPPORT/OPOSE] And is that strongly or just somewhat [SUPPORT/OPOSE]?

	SUPPORT		OPOSE		(DK/Ref.)	NET	
	Strongly	Somewhat	Somewhat	Strongly		SUPPORT	OPOSE
• Imposing tax penalties to ensure that all drug companies negotiate affordable prescription drug prices with Medicare.....	39%	35	7	5	14	74%	12
• Limiting the price that drug companies can charge for medications based on their value to patients and a fair profit based on analysis from an independent, non-governmental review organization of researchers and clinicians with no conflicts with the pharmaceutical industry.	30%	41	9	5	16	70%	13
• Establishing maximum prescription drug prices in US that are no more than 20% above what people pay in Germany, France or Japan.....	26%	31	9	7	27	58%	15

Q43. Thinking about policies to lower prescription drug prices, which of the following comes closer to how you feel:

We should allow Medicare to negotiate with drug companies to make drugs and medication more affordable to patients	72%
By letting Medicare dictate prescription drug prices, we will undercut drug companies' ability to innovate and develop new drugs	13
VOL: (Don't know/Refused)	15

Q43Y. [IF 2 IN Q43] Would you be more or less likely to support empowering Medicare to negotiate lower drug prices from drug companies if Medicare took those savings from lower drug prices and re-invested it in medical research and innovation? Or would you be no more likely than before? [IF **MORE/LESS**] And is that much [MORE/LESS] or just somewhat [MORE/LESS] likely to support?

Much more likely	26%
Somewhat more likely	35
Somewhat less likely	16
Much less likely	10
No more likely	8
VOL: (Don't know/Refused)	5
MORE LIKELY (NET)	61%
LESS LIKELY (NET)	26

Q44. Thinking about prescription drug pricing reform, which of the following comes closer to how you feel:

Americans pay too much for brand name prescription drugs -- almost four times what people pay in Germany, France, and Japan	61%
By letting Medicare negotiate prescription drug prices based on international standards, we will be importing price controls from other countries that do not have health systems as strong as the United States	15
VOL: (Don't know/Refused)	24

Q45. Thinking about prescription drug pricing reform, which of the following comes closer to how you feel:

Drug companies should be focused on developing drugs that maximize public health	82%
Drug companies should be focused on developing drugs that maximize profits	8
VOL: (Don't know/Refused)	10

Q49. If you found out that your US Senator opposed requiring drug companies to negotiate with Medicare for lower prescription drug prices for all Americans, would you feel more or less favorable to your US Senator? [IF **MORE/LESS**] And is that much [MORE/LESS] or just somewhat [MORE/LESS] favorable?
